

HOW TO GET YOUR TEST RESULTS

1. Scan QR Code

2. Populate Form

The screenshot shows a web form titled "Find your Test Result" with the CIAN Diagnostics logo at the top. Below the title are four input fields: "First Name", "Last Name", "Date of Birth", and "Phone Number". A small note under the "Phone Number" field reads "Enter the number you provided during the appointment". At the bottom of the form is a blue "SEARCH" button.

3. *Click on the bold text "COVID-19 PCR" to open test results.

Welcome, (First Name)

Use our Patient Portal to make appointments or securely access your test results. Check our FAQs for help and **make sure to log out when you're done to protect your health information.**
