

Karns Hazlett Hospitality

Background

My name is Karns Hazlett, I'm from Pittsburgh, Pennsylvania and I am currently a senior studying Hospitality Management. I'm currently a member of Phi Mu Fraternity, Best Buddies, and the Eta Sigma Delta Hospitality Society. I also work for the USCB Hospitality Research Center and in the USCB Admissions office!

I found USCB because of the opening of the Hospitality campus on Hilton Head Island, I chose USCB because of the small campus and class size, location, Hospitality program, and apartment-style housing.

I chose Hospitality Management because I love being around people, and I like the idea of being able to do something different every day and not having to sit at a desk. There are so many different aspects of the industry which gives me a lot of choices for a career after I graduate.

Favorite Class

As a senior, I've taken a lot of great classes. I think the one that stands out the most is the Cruise Line Management course I took my sophomore year. It was so interesting to learn the history of cruise ships and the ins and outs of the operations.

Best Piece of Advice

Leave your dorm!!! Your college experience is only going to be what you make it. Leave your room, join a club, go to events, talk to a stranger, and make the most of your 4 years at school!

Fun Fact:

I have 4 siblings back home in Pittsburgh, 2 brothers and 2 sisters.
