

# Nina Mescia

## Psychology

---

### Background

My name is Nina Mescia. I am a Junior at University of South Carolina Beaufort. I will be graduating early in December 2022, and I am the youngest of my three siblings.

I chose USCB because I wanted to go to a school that was close to home, and I liked that it was a small school where everyone could get to know one another.

I was inspired to major in Psychology because I have always been intrigued by the human mind and what it can do.

### Favorite Class

My favorite class at USCB was Clinical Psychology because it allowed us to practice doing case studies to get ready for a career in the real world.

### Best Piece of Advice

Enjoy the time you have at college because it goes by very fast.

### Fun Fact:

I have a golden retriever puppy named Copper.

Walterboro, South Carolina
